

West Virginia Broadcasters Association

News Director

Jobs in Broadcasting ,United States

Job Description

West Virginia Radio Corporation is looking for an addition to our radio news department for our Beckley location. This individual will be responsible for gathering, writing and delivering local news, and assuming some operational responsibilities on a news/talk station. They will also be part of the news team for MetroNews, the award-winning state radio network of West Virginia.

Come join the professional team of a family-owned company that still believes in the value of local radio news. West Virginia Radio offers a competitive salary, plus health benefits and a 401k program.

Send a cover letter, resume and audio samples to beckleyjobs@wvradio.com.

WV Radio Corporation is an Equal Opportunity Employer.
