## Meteorologist/MMJ

Jobs in Broadcasting ,United States

### Job Description

#### Meteorologist/MMJ

WVVA Television in Bluefield, WV, Nature's Air Conditioned City, is looking for a full time meteorologist to anchor weekend weather, fill in weekdays and report during the week.

The right candidate will embrace the challenge of forecasting four seasons, take a leadership role in forecasting (especially during severe weather) and is committed to working as part of a team.

We are looking for a meteorologist dedicated to weather coverage and telling a compelling weather story every day. The ideal candidate must also be ready to react to severe weather at a moment's notice.

It's also important to have a strong social media background to engage and respond to our community.

WVVA is part of Quincy Media, Inc., a family owned media company operating television stations in 16 markets. We are an award winning news operation committed to strong journalism and community service.

If you're qualified, we want you on our team. Candidate should send resume and DVD or web-link with weathercast and reporting samples to: Ken White, News Director, WVVA Television, 3052 Big Laurel Highway, Bluefield, WV 24701 or email [kwhite@wvva.com](mailto:kwhite@wvva.com).

No phone calls please.

WVVA is an equal opportunity employer.
