HERE FOR YOU

[Job Description](#)

Weekend Meteorologist/Multimedia Journalist

WVVA, a Gray Local Media station in Bluefield, WV, is looking for the right meteorologist to join our award-winning weather and news team as a **Weekend Meteorologist/Multimedia Journalist**. If you are looking for an opportunity to forecast the weather in Four Seasons country, here it is!

Weather is of the utmost importance to our station and our community. We are looking for a self-motivated, committed to quality meteorologist that has a passion for both weather and news information. Candidate must be a knowledgeable forecaster, compelling storyteller and team player for this critical Weekend Meteorologist/Multimedia Journalist role.

The ideal candidate will have a comfortable on-air appearance and be able to break down complex weather solutions into easy to understand broadcast and online weather casts as well as providing written stories and multimedia weather content on all platforms.

This position also serves as a Multimedia Journalist covering weather/science and general news stories three days per week. You will gain valuable experience working with our award-winning team of meteorologists and news professionals.

We constantly strive for excellence. Through upgrading to the latest technology and seeking new ways to stay on top in our market, we focus on training and development of the best and brightest employees in the business.

Duties (include but not limited to):

- Anchors weekend weather.
- Create and deliver accurate forecasts.
- Must be able to work a flexible schedule.
- Ability to work in a team environment.
- Generate leadable and original story ideas during the weekdays as a Multimedia Journalist.
- Work well under pressure in deadline driven situations.
- Ability to connect with the audience.

Requirements (include but not limited to):

- Bachelor's degree in meteorology or related field is preferred.
- A strong social media background to engage and respond to our community is a plus.
- Basic experience with weather computer systems is preferred.
- Must have a valid driver's license and pass motor vehicle records check.

Nestled in the heart of the Appalachian Mountains in Nature's Air-Conditioned City, Bluefield, WV, WVVA is centrally located to many major markets. The two Virginia's are home to world-class white-water rafting, thousands of miles of hiking trails, skiing and so much more. We love living here!

If you feel you're qualified and want to work with the best group of people in the business, go to <https://gray.tv/careers#currentopenings> to apply. No phone calls please.
